

Blended Learning at The Long Eaton School

Blended learning is a combination of learning both in and out of the classroom using resources online or offline. It is important to ensure that learning can take place should you be absent from school. This page will help you access sites to assist with this.

Site	Details	How to login
 GCSEPod <small>education on demand</small>	A free app or site to help learn, complete homework and undertake revision. Videos teach you and quizzes test you. Aimed at GCSE students but useful for others.	Select sign in with Office365 and enter your school email address and password
 Seneca Learning	A site designed to help students learn and revise through quizzing	You set up your own account using your school email address. Teachers will give you a code to join a class.
 OAK NATIONAL ACADEMY	A site that is designed to teach you remotely. There are teacher led video lessons with tasks and resources. Good for independent learning.	No login required
 BBC Bitesize	A huge bank of information and resources such as videos on different subjects and topics. Good for all year groups.	No login required
 Schoology	A site (and app) which is managed and added to by your teachers. Information, videos, tasks and quizzes can be found here.	Your teachers will set you up on Schoology where it is needed. They will give you a code to access it.
 MyMaths	Do the lesson then do the associated 'homework'. This will not have been assigned to you. Make sure you have used your login when starting the 'homework'.	To get on generally: long and then violet . You will have your own logins too but will be able to access the links using the general login.
 MathsWatch	Watch the clips, do the questions on the clips and complete the interactive questions.	This is the first part of your normal login details (eg 24joeblo@longeaton) Password- purple
Collins Connect	For the textbook you will need to read the examples, make notes on how to do work, and attempt the exercises.	https://connect.collins.co.uk/school/defaultlogin.aspx
 Memrise	An app which teaches you French and Spanish, ideal for KS3 and KS4	Logins are set up by using your school email address, you will be given a code to join your class.
 Kerboodle	An online interactive textbook for languages	Username/password is first initial followed by surname in lower case. E.g. tworn. The institution code is dru9.
