

We appreciate some parents and children may be worried about themselves, members of their family, or their friends becoming ill.

There's lots of advice about how to talk to your child about Coronavirus.

Below is a list of helpful resources:

- [National Autistic Society](#) – guidance and helpline for parents, young people and staff
- [Mencap - Easy Read guide to coronavirus](#)
- [Place2Be](#) – Have a useful guide for helping parents answer questions from their children and to support family wellbeing
- [Young Minds - Talking to your child about coronavirus and 10 tips from their Parents Helpline to support family wellbeing](#)
- [Carers UK - Guidance for carers](#)
- [Covibook](#) is an interactive resource designed to support and reassure children aged 7 and under, designed to help children explain and draw the emotions that they might be experiencing during the pandemic
- [Amaze - information pack for parents](#)

[Public Health England](#) have produced an easy read version of their advice on the coronavirus for places of education. You can download a copy from [Easy Read Online](#).
