The school has a policy for charging activities and remission of fees as follows:

School Visits and Excursions

A distinction is made between trips mainly during school hours or as an essential part of the curriculum and those outside of school hours and not essential to the curriculum. The school will ask parents for a contribution in advance of any trip. Payments can be made either via School Comms or direct to the school. All cheques are to be made payable to The Long Eaton School. Parents may apply for an annual one off pupil premium grant of up to 50% towards the cost of a trip (terms and conditions apply). Trips include:

- a) Mainly during school hours and / or essential to the curriculum.
- b) Residential courses– board and lodging costs only.
- c) Outside school hours and not essential to the curriculum.

Balances of less than £5 per pupil left over from a trip will not be refunded to pupils.

Music Tuition

Individual music tuition may be charged for by the school's peripatetic teacher with the prior agreement of parents. A list of charges and services offered is available from the school. Charges will not be made for tuition provided as part of the requirements of a syllabus for a public examination prescribed by the school or for any requirements of the curriculum.

Public Examinations

The school pays all examination entry fees for students who have been prepared for public examinations by the school. A charge will be made for re-sits except in exceptional circumstances. If a pupil fails to complete the requirements of the examination without good reasons (either coursework or final exam) then the fee paid by the school will be reclaimed from the parent.

Lettings

Any lettings in school hours will be charged at the DCC rate of £22.50 per session.
