# TRANSITION BOOKLET

# Welcome!

At the Long Eaton School we are passionate about ensuring that each and every one of our students fulfils their potential academically and is delivered a curriculum that supports this and their personal development. We aim to develop independent learners with transferable skills which can be applied to both their future studies and wider lives; ensuring our students are prepared for the outside world and go on to make a positive contribution to society.

We are a community school and our students know that they are part of an organisation that has their best interests at heart and one that will support them in planning and preparing for their future. We have close relationships with all stakeholders in our community, which includes parents, governors, primary feeder schools and local sporting and charitable organisations. It is through developing these positive relationships that we know our students not only feel part of this community, but engage and are able to positively contribute to it.

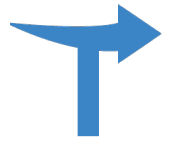

In February of 2021 the school joined Archway Learning Trust, The Archway vision of 'working together, transforming lives' naturally aligns with our vision and values at The Long Eaton School. Through our collaborative work with the trust, we are committed to ***Transforming Lives, Empowering Students*** through ensuring our vision and values are embedded in all aspects of our school life.

I very much look forward to welcoming students and their families to the school and to working closely with you over the next 7 years.

# Vision & Values

**The Long Eaton School**

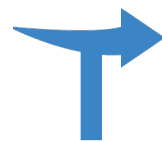

*Transforming Lives, Empowering Students*

## **VISION**

We believe in the power of education to transform lives and are committed to ensuring that all students excel academically, can positively contribute to their community and are supported in their wider wellbeing.

# History of TLES

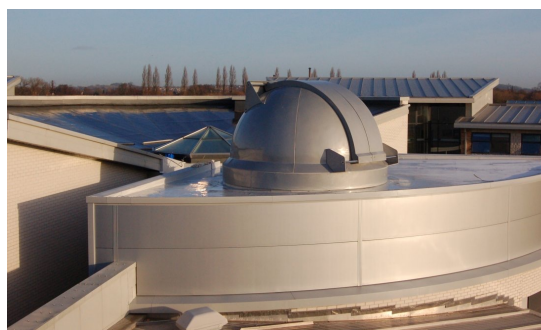

In 1913, the school became known as Long Eaton County Secondary School. In 1945, it was changed again to Long Eaton Grammar School. Then in 1972, it merged with the nearby Roper Secondary Modern School. We used to be split over two sites, upper school (Y9-Y11) was at the old Grammar School (above) and lower school (Y7-Y8) was at the Roper site (see right). In 1989, it was renamed the Long Eaton Community School, to return to being known as The Long Eaton School in 1999.

On 29<sup>th</sup> October 1910 the Long Eaton Higher Elementary and Pupil Teachers' Centre opened on Tamworth Road. The first headteacher was Samuel Clegg who died in Shardlow in 1930. His portrait can be seen hanging outside our Main Hall.

In 2012 we opened our own observatory complete with 3 telescopes. In 2017, we changed our school uniform, from sweat shirts and polo shirts, to the uniform you see now.

In 2006 the old grammar school was closed, and a new £15m school was built on the old Roper site. The former buildings of the old Roper site were demolished with the rubble being under our 'telly tubby hill'.

# Differences

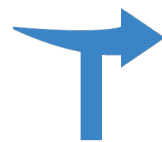

Using the space around our school below list some of the differences between your primary school and The Long Eaton School. An example has been given to start you off.

*I will have a different teacher for each subject, whereas at primary school I only have one teacher.*

# Uniform & PE Kit

Our Uniform is our identity, and you should wear your uniform with pride each day at you're at school.

## School Uniform

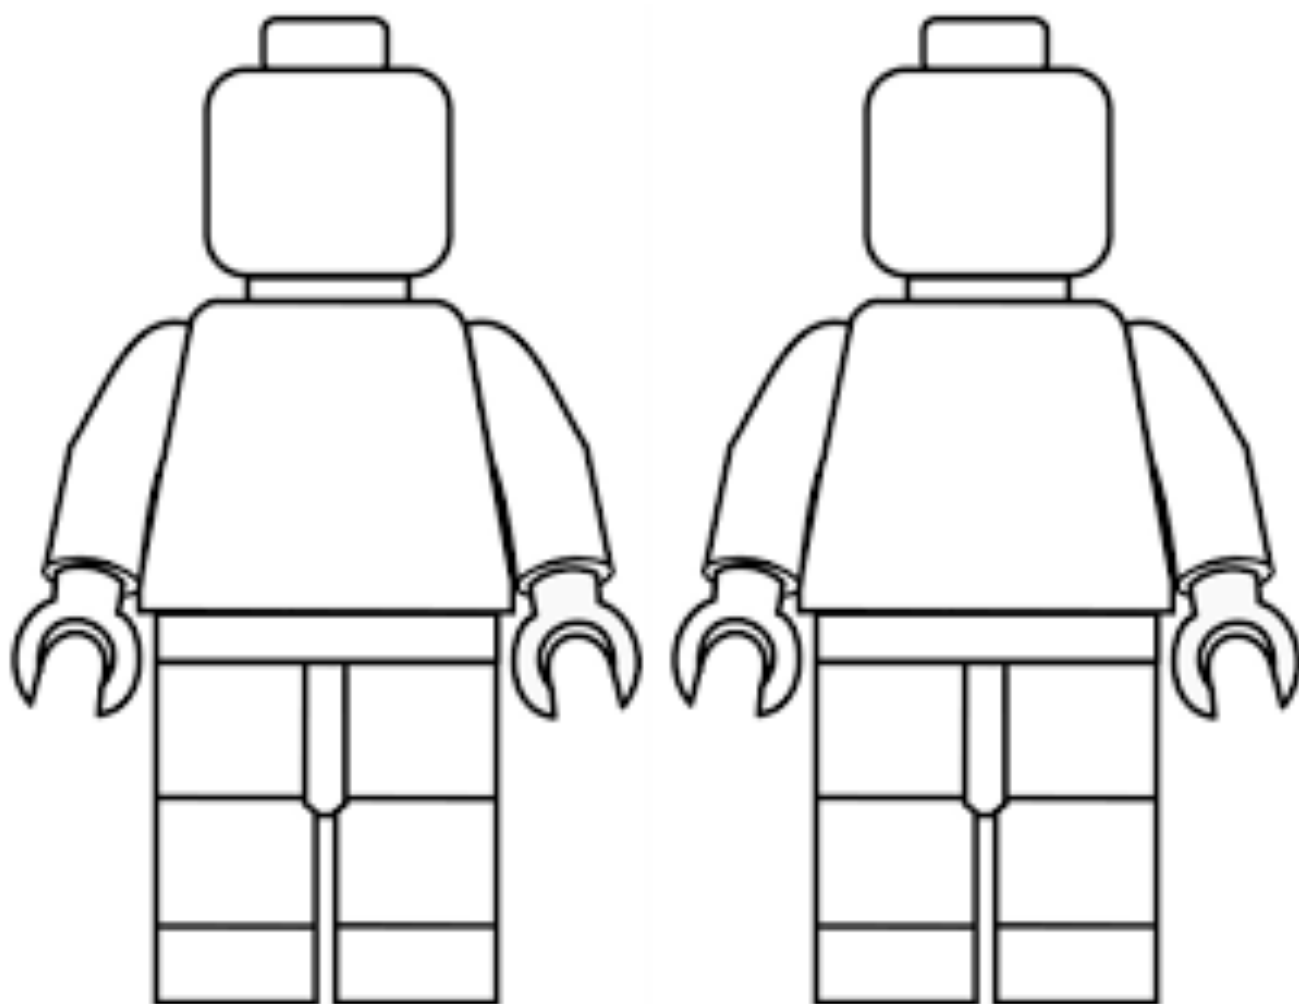

- Navy blazer with school logo
- White shirt (tucked in)
- School tie
- Plain black full length trousers
- Black, grey or white socks
- Black school shoes

## PE Kit

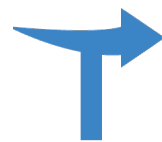

- Unisex navy polo shirt with logo
- Plain navy tracksuit bottoms
- Navy shorts with logo
- Navy PE socks
- Trainers

- Hair should be of natural colour & style.
- False eye lashes, nails and coloured nail varnish are not allowed.
- Make up should be discreet.
- Jewellery is banned in accordance with Health & Safety rules.
- Hoodies, leggings, jeans etc are not allowed.

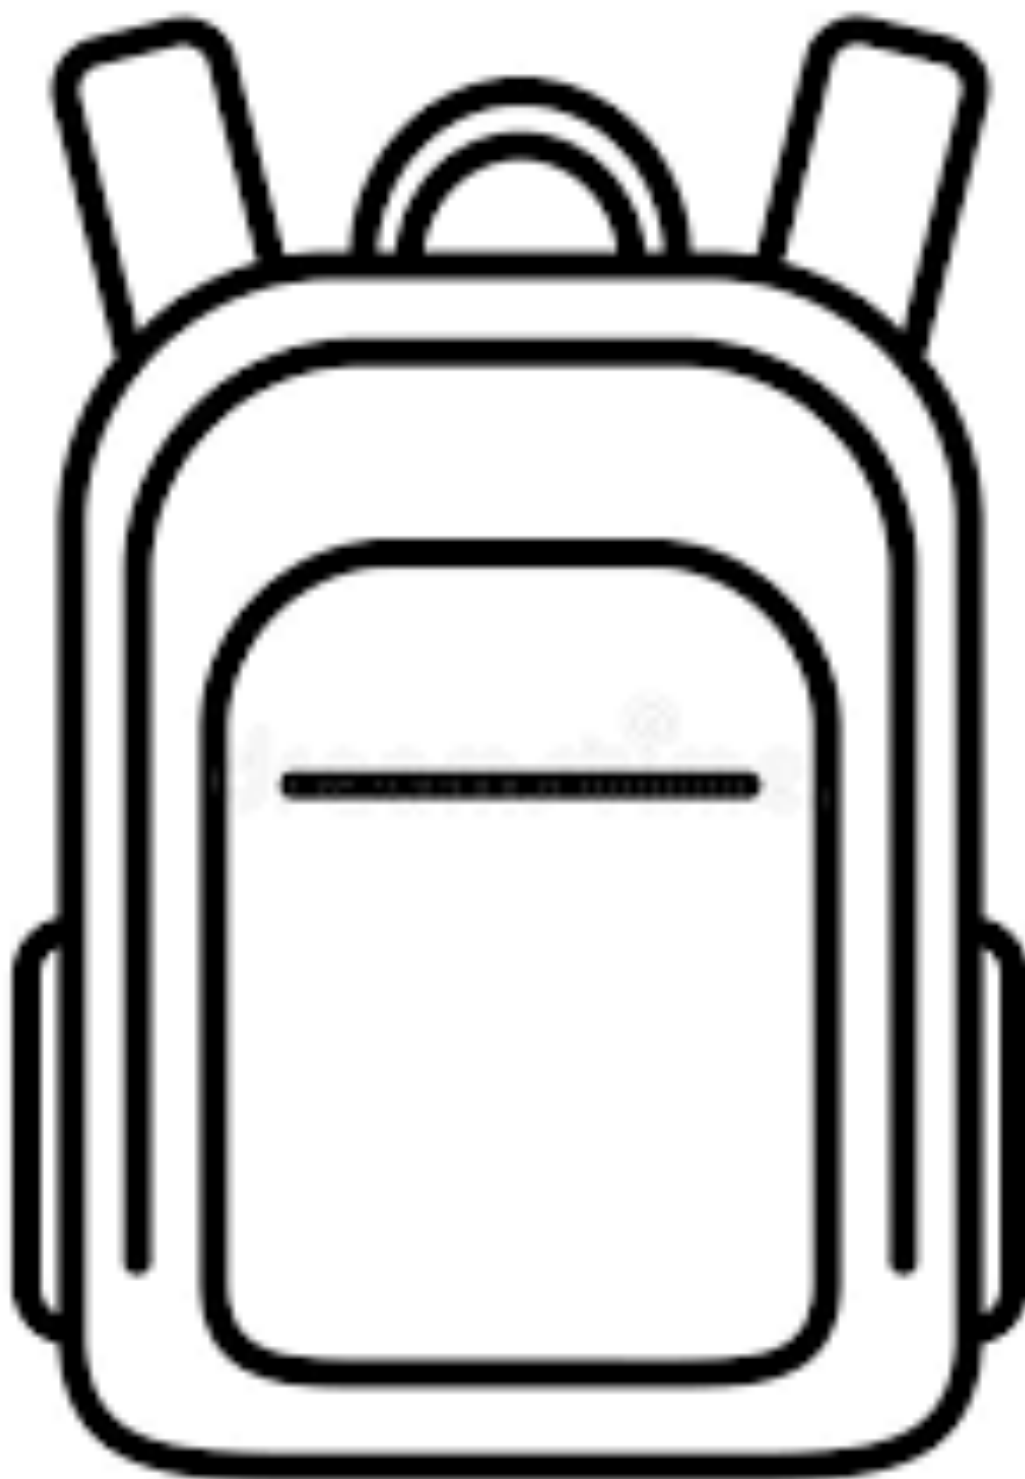

Using the lego figure outlines below, draw one wearing our school uniform and the other wearing our PE kit.

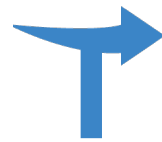

# Packing My Bag

It is important that you are prepared for school each day at The Long Eaton School. It is your responsibility to ensure that you bring all necessary equipment for your school day. Label the bag below with items you **must** bring to school.

# School Ready?

For school each day I need:

- ☐ School Bag
- ☐ Pencil Case
- ☐ Colouring Pencils
- ☐ Scientific Calculator
- ☐ Lunchbox/School Dinners Pincode
- ☐ Water Bottle
- ☐ Reading Book/Library Book
- ☐ PE Kit (On PE Days)
- ☐ Any other equipment? (e.g. Musical Instrument, etc)
- ☐ Any letters to hand in to Student Services.

## Lunchtime at The Long Eaton School:

Lunchtime at Secondary School will be different to Primary School. You will still be able to take a packed lunch with you if you prefer. There will be space in the Food Hub, Social Areas and outside for you to be able to eat your lunch.

There are three places where you can buy hot or cold food for your lunch and break. The Food Hub, Orange Social Area, and Yellow Social Area will be open before school, at break times and lunchtimes. The cost of lunch will vary depending on your options.

We have a cashless system where you or your parents will load money onto an account for you to pay for any food/drink at school. You can top up your account in school, using the top up machines in Student Services, Food Hub, and Orange Social Area. Your parents can top up your card online via ParentPay. Your parents will be able to see everything which you purchase in school.

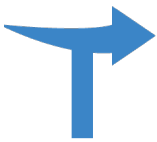

**Can you find the answers to the following questions?**

What time does the school day start and end?

What is the name of the Principal at The Long Eaton School?

What is the name of your Year Leader at The Long Eaton School?

# Our School Day

Our school day will be different from your day in primary school. You need to make sure that you arrive on time to school each morning so you aren't late.

|               |              |  |
|---------------|--------------|--|
| 08:15 – 08:30 | Gates Open   | You can enter school via the gates near the sports hall or the bridge off Tamworth Road.             |
| 08:30 – 09:00 | Registration | You should be lined up outside your tutor room at 08:25.   |
| 09:00 – 10:00 | Lesson 1     |  |
| 10:00 – 11:00 | Lesson 2     |  |
| 11:00 – 11:20 | Break        | The whistle will blow to signal the end of break at 11:15 so you can line up outside your classroom. |
| 11:20 – 12:20 | Lesson 3     |  |
| 12:20 -13:20  | Lesson 4     |  |
| 13:20 – 14:00 | Lunch        | You can either use the social areas or food hub to get some food or bring your own sandwiches.       |
| 14:00 – 15:00 | Lesson 5     | Except on a Thursday when Years 8-11 go home and Year 7 take part in an Enrichment activity.         |

# Your Tutor

You will each have a form tutor who you have likely met on Transition Days. They are responsible for your pastoral care, wellbeing, attendance, and oversee your academic progress.

Unlike your subject teachers, you will see your form tutor each day so they are your first port of call for any issues, concerns or worries.

You will likely have your form tutor throughout your journey through The Long Eaton School so you will build a great relationship with them over the years!

You will each have an individual timetable from September, it shows you which subject, teacher and room you've got every day.

## Questions

Which day(s) would you need to bring your PE kit?

Which books would you need to take on Monday?

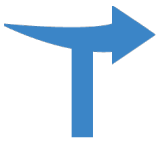

# Mobile Phones

You are allowed to bring your phone with you so school however, it must be switched off and in the bottom of your bag.

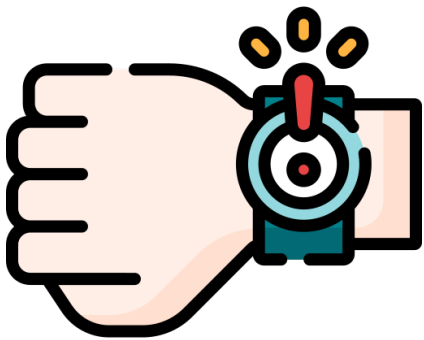

We understand people like to have their phone for safety on the way to and from school however, as soon as you come through the school gates you cannot use it until you leave the school gates at the end of the day. If you need to contact home, this must be done via Student Services.

# Lateness

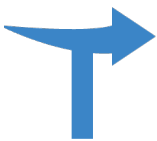

It is important that you are on time for school each day. Our gates open at 8:15 and close at 8:30, after this you are late.

You will come in through Main Reception, sign in at Student Services, and receive a break detention for being late. We understand sometimes there are reasons for being late, so remember to bring a note!

# Attendance

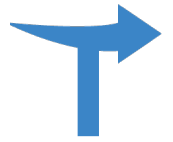

We want you to be really successful whilst at The Long Eaton School. Therefore, it is important that you attend school each day.

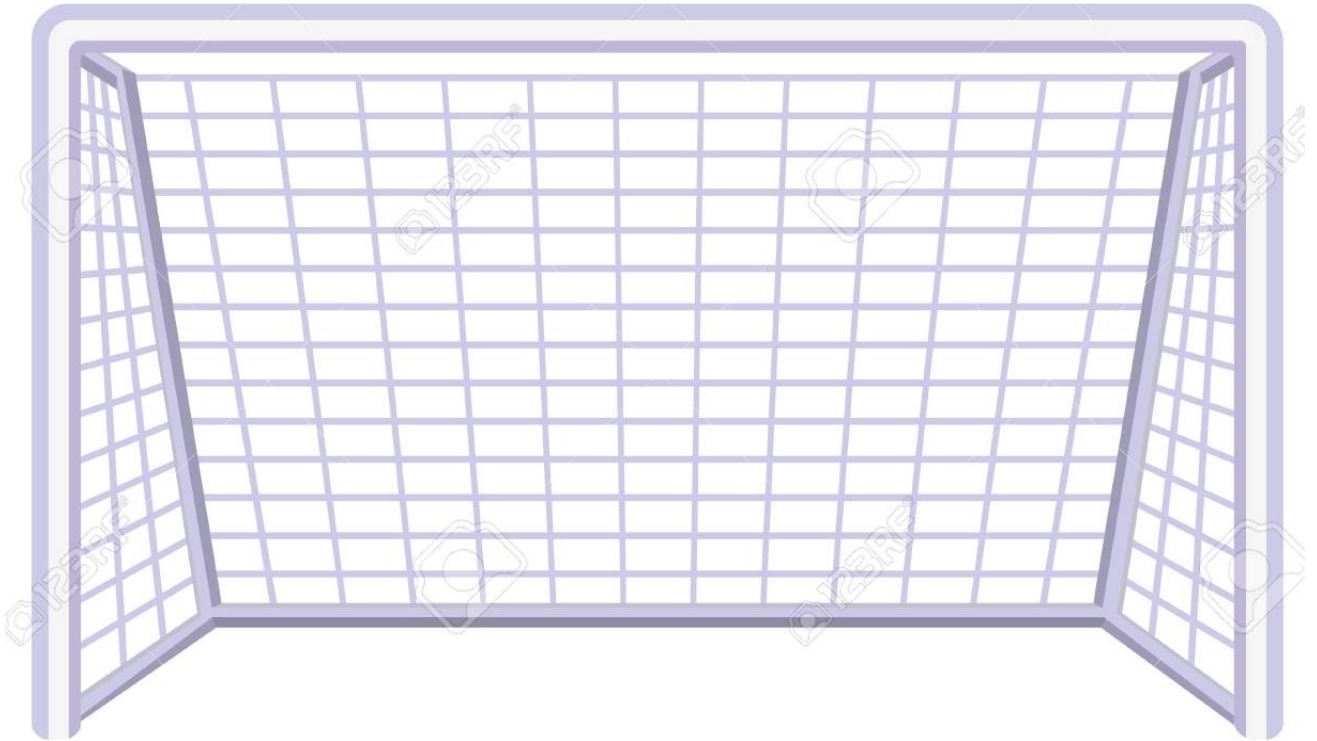

You can see how many days learning you lose if you don't come to school.

Sometimes, if you are ill we understand you cannot come to school. Your parents just need to call Student Services and inform them of your absence.

# Goals

When you come to Secondary School, you will learn a huge number of new skills, and improve skills you have practiced in Primary School. In the goal below, write 10 new skills or things you'd like to build on in your years at The Long Eaton School.
