Dear Parent/Carer

Re: Easter Revision Sessions

In order to support students in the final run up to A'Level exams a group of staff have offered to come into school to run revision sessions in the following subjects.

Maths - Thursday 6th April
History - Wednesday 12th March
Psychology - Wednesday 12th March

These sessions are an opportunity to revise topics and skills that students have found more challenging on the spring mock exams. In signing up for these sessions we expect students to engage positively in the activities planned. Any students whose behaviour does not meet our expectations may be asked to leave the session and be collected by a parent.

Places are limited for each session and will be allocated on a first come first served basis. To secure a place please return the reply slip below by Wednesday 29th March. A confirmation email will be sent to those who secure a place by the end of term.

Yours faithfully
The Long Eaton School

L Nicholls
