**Re: School Production**

Dear Parent/Carer,

We are thrilled to announce that we will be putting on a school production of *The Addams Family, Schools Edition* in February 2024. The show week will be the week commencing 5<sup>th</sup> February 2024.

There are a variety of roles involved in putting on a production, these include acting, singing and dancing; set design and making props; costume, hair and makeup design; lighting and sound. For this show we will also have a live band. We welcome all students to take part, and would like to invite those that are interested to the first rehearsal on Tuesday 18<sup>th</sup> April from 3-4pm in the main hall. During the first 2 sessions we will be reading through the script and listening to some of the songs so that everyone involved has a good understanding of the show from the beginning of the process. This is important for everyone that will be involved.

At this first session, students will be given a consent letter to bring home for parents to sign. This will detail the schedule of rehearsals and design sessions until the end of the summer term as well as including more information about the production.

We are really looking forward to making a start on this production with the students and look forward to seeing them at the first session on the Tuesday after Easter.

Many thanks for your ongoing support of the Arts at TLES.

Yours faithfully  
The Long Eaton School
