

Our Ref: PM/dw - 9 May 2023

Dear Parent / Carer

Re: Duke of Edinburgh Award – Bronze Expedition

Expedition Dates Update

Due to unexpected personal circumstances, our assessor is no longer available on the dates originally scheduled. We have therefore had to change our expedition dates, and we apologise for any inconvenience this may cause. The new dates for the student's expedition are now as follows:

- Year 9 Groups out June 19th & 20th
- Year 10 Groups out June 26th & 27th

Transport for the expeditions will be provided by the school, with students leaving and returning to school on the dates outlined above.

Students will be told which Expedition Group they are in at training sessions, detailed below.

As a reminder, all DofE students are expected to attend the following Training Sessions on Wednesdays, taking place in the main school hall.

- Wednesday 10th May; e-DofE - Expedition
- Wednesday 17th May; e-DofE – Voluntary / Skill / Physical
- Wednesday 24th May; Students will receive Expedition Kit and will be practicing cooking

Students will be given all of the information needed for the expeditions during the above training evenings.

Please do not hesitate to contact me if you require any further clarification or have any questions.

Yours faithfully
The Long Eaton School
