Dear Parents and Carers

At The Long Eaton School we have really enjoyed welcoming your child back into the Academy and we would like to ensure that we get off to a positive start. To make sure that this happens we are setting our high standards around **uniform** and **student presentation**. Your support in helping to keep our uniform standards intact by sending your child in with full uniform every day will be greatly appreciated. To prevent your child from spending time in the **Independent Learning Unit** or **After School Detention**, please make sure that their uniform is consistent with the following:

- Blazer (**Worn to school and around the Academy at all times**)
- White Shirt (**Tucked in at all times**)
- Tie
- Trousers - (Black)
- Pleated Skirt (**Length = Just above the knee**)
- **Tights (Black)**
- Black School Shoes (**No trainers**)
- School PE Top

At The Long Eaton School we pride ourselves on presentability because we want to promote a unique sense of professionalism and **community**. We are confident that through our continued collaboration with you we will continue to make The Long Eaton School a great school for your child.

Yours faithfully
The Long Eaton School
