Reach More Parents is coming!

Our Ref: RMP/HW August 2023

Dear Parents/Carers,

RE: Reach More Parents – Communications App

Here at The Long Eaton School we are always looking for new ways to improve communications with our parents and carers to ensure the best learning experience for all our pupils. With this in mind, we are delighted to announce that within the next few weeks, we will be launching Reach More Parents as our main source of communication.

Reach More Parents is a digital communications tool which allows you, as parents, to see a wealth of important information concerning your child, right at your fingertips. It provides a great platform for us to notify you about key dates in the term, to keep you up to speed with your child's learning and for sending out important notices, among many other things.

All the information you will need to get enrolled with Reach More Parents will be sent to you in due course, but in the meantime, you can get prepared by downloading the Reach More Parents app onto your smart phone or tablet. As a school, we are very excited about what Reach More Parents has to offer, and we look forward to welcoming you on board with us on our exciting journey to successful communication.

Yours Faithfully
The Long Eaton School

M Shipman
Principal
